

Turn to the right when you leave *Hotel Bischofshof* am Dom following the EAFPS signs.
Take the small street down to the Danube river until you reach the *Historische Wurstkuchl* (ancient sausage kitchen)

go straight on next to the shipping pier (on your left) alongside the Danube in eastern direction until you reach the bridge. Cross the bridge below following the gravel path.

You will reach old tracks you also need to cross. Immediately after the tracks, take the small street on the left alongside the houses. Please, don't mind site operations!

Follow this street straight forward and turn right after about 200m. You finally reached the Congress Center *Marinaforum Regensburg*.
