Dear Colleagues and Friends:

Welcome to the heart of the Swiss Alps. Despite the evolving situation in 2020, the inaugural Davos meeting was a wonderful success. We are extending our cordial invitation to join us in 2021. The meeting hotel is in walking distance of the famous slopes of Davos and Klosters. World class faculty have confirmed their participation.

The program will feature lectures, videos and panels. Evidence, current trends, and controversies will find ample representation. We have secured a contingent of rooms. Please feel free to extend your stay and arrive early.

We offer a special discount rate for the young generation of facial plastic surgeons. Registration and hotel booking are separate so you are free to choose an alternative hotel, if you like.

We are especially pleased to join hands with the organizers of the long - established "Alpine Nasal Course" in Crans Montana, Philippe Rombaux and Peter Hellings.

Please see the meeting website to complete your registration and find further details:

We are very much looking forward to welcoming you to Davos. Join us and enjoy the breathtaking high alpine panorama and Europe´s longest downhill run, while sharing knowledge in the good company of globally recognized experts.

Yours very sincerely, **Holger G. Gassner, Abel-Jan Tasman**
