#### **General Information and Prices**

#### **Course Secretariat**

europeancourse.regensburg@gmail.com

#### Venue May 1st-2nd

We are fortunate to stage this event in the breathtaking surroundings of the beautiful "Herzogssaal" in the heart of Regensburg. Address: Domplatz 3, 93047 Regensburg

#### **Anatomic Dissections May 3rd**

Per Regensburg tradition, dissections will be on fresh frozen specimen of excellent quality. State of the art instrumentations will be provided. Department of Anatomy, navigate to intersection "Tiefstrasse West" and "Am Biopark".

#### **Prices (per Person)**

| • Regular Course (May 1 <sup>st</sup> – 2 <sup>nd</sup> ): € 750                    |
|---|
| • Reduced (EAFPS, RSE, May 1 <sup>st</sup> – 2 <sup>nd</sup> ): € 675               |
| Anatomic Dissections  |
| (May 3 <sup>rd</sup> , 2 participants per head): add. € 1575                        |
| • Both courses incl. dissections (May 1 <sup>st</sup> – 6 <sup>th</sup> ): sold out |
| • Both courses reduced (EAFPS, RSE, May 1st – 6th): sold out                        |
| • Course Dinner (May 1 <sup>st</sup> , per person): € 100                           |
| Registration includes lunch and coffee on site,                                     |
| pre-congress Cocktail get together.   |

### Hotels, Transport, Registration

Fly into Munich Airport; 60 min direct train connection from the terminal building as well as door to door shuttle transfer (airportliner.de) are available. Beautiful and moderately priced Hotels "Goliath" and "Herzogshof" and more are in close walking distance in the heart of the old town. For all information see: www.facial-plastic-surgery.eu

## FINAL PROGRAM

May  $1^{st} - 3^{rd}$ , 2025

The 4<sup>th</sup> European Course in Minimally Invasive Rhinoplasty Techniques — Regensburg 2025

**Program Directors:** 

**Cooperating Department:** 

Live Surgery:

Organizing Committee: Anatomic Dissections:

Holger G. Gassner, Abel-Jan Tasman, Miguel Ferreira

ORL, University of Regensburg, Chair: Prof. Dr. Ch. Bohr Transmission from the "Finesse

Center for Facial Plastic Surgery"
Georges Abikanaan, Mohammed Khair
Fresh frozen dissections,

Dept. of Anatomy, University of Regensburg, Chair: Prof. Dr. E. Tamm

### **Dear Colleagues and Friends:**

Minimally invasive techniques benefit patient and surgeon alike. Less tissue dissection, measurable preservation of valuable tissues, enhanced recovery and a more benign situation for possible revision procedures. Endonasal approaches, preservation concepts and soft techniques are important elements of minimally invasive rhinoplasty.

The present course combines the Regensburg tradition of endonasal innovations with minimally invasive techniques performed through the open approach.

Presentations will be case – based and evidence based. The program has been designed in collaboration with the Evidence Based Rhinoplasty Research Group (EBRRG) and is under the auspices of EAFPS and RSE.

Topics of focus will include:

- step by step instruction of endonasal approaches
- presentation of preservation concepts
- critical discussion of preservation concepts
- surgery under local anaesthesia
- strategies to enhance recovery

During a full day of anatomic dissections you will practice endonasal and minimally invasive rhinoplasty techniques under expert mentoring. Regensburg is one of Germany's most wonderful medieval towns, relaxing yet vibrant. Travel is easy through Munich airport, and excellent hotels are affordable.

The European Course in Face Lift and Rejuvenation Surgery will take place back to back from May 4<sup>th</sup> to the 6<sup>th</sup>. Benefit from the opportunity of registering for both courses and maximize you learning experience.

Please join us for these unique events

# The 4<sup>th</sup> Course in Minimally Invasive Rhinoplasty Techniques — Regensburg 2025:

| Wednesday   | April 30 <sup>th</sup>   |  |
|-------------|--|--|
| 18:00-19:30 | Welcome Reception for all attendees  |  |
|             | at the Finesse Center, Fröhliche Türker  | i Str. 8   |
| Thursday    | May 1 <sup>st</sup>  |  |
| 08:00       | Registration   |  |
| 08:15-08:30 | Welcome address Tasma  | an, Gassner  |
| 08:30-08:45 | Mastering septoplasty  | Tasman   |
| 08:45-09:00 | Endonasal - defining the least invasive approaches   |  |
| 09:00-09:15 | Controlling tip position endonasally   | Kashani  |
| 09:15-09:30 | Controlling tip shape endonasally  | Abikanaan  |
| 09:30-09:45 | Direct endonasal dorsal contouring   | Khair  |
| 09:45-10:00 | Primary endonasal rhinoplasty – which approach when  | Hanga  |
| 10:00-10:30 | Break  |  |
| 10:30-10:45 | Preventing and managing problems   | de Lange   |
| 10:45-11:15 | Secondary endonasal rhinoplasty –<br>what to do when   | Gassner  |
| 11:15-12:00 | Proportions, Simulation and efficient thoughts   | Tasman   |
| 12:00-12:10 | Course photo in front of main entrance   | !  |
| 12:10-13:00 | Lunch Break  |  |
| 13:00-13:30 | Types of preservation – what is preserved and what not?  | Ferreira   |
| 13:30-14:00 | Endonasal management of the dorsum – 15.000 cases over 50 years  | Pastorek   |
| 14:00-14:30 | Rhinoplasty 2025 –<br>Is the tail wagging the dog?   | Paun   |
| 14:30-15:00 | Tip position and shape – soft open concepts  | Menger   |
| 15:00-15:30 | Coffee Break   |  |
| 15:30-16:00 | Preservation Rhinoplasty –<br>Demistyfiying the "revolution"   | Ferreira   |
| 16:00-16:30 | Pediatric Rhinoplasty  | Menger   |
| 16:30-17:00 | Break  |  |
| 17:00       | <b>Interactive 10 minute case discussio</b> Moderator: Tasman  | ns   |
