Dear Colleagues and Friends:

Welcome to the heart of the Swiss Alps. Please join us for a very special meeting. We are fortunate to have secured an excellent venue right by the gondola in Klosters. World class faculty have confirmed their participation.

The program will feature lectures, videos and panels. Evidence, current trends, and controversies will find ample representation. We have secured a contingent of rooms at the meeting hotel. Please feel free to extend your stay and arrive early.

We offer a special discount rate for the young generation of facial plastic surgeons. Registration and hotel booking are separate so you are free to choose an alternative hotel, if you like.

Please see the meeting website to complete your registration and find further details:
